- (ix) If after the election of the members of the Management Committee at the Annual General Meeting any alterations duly made under para. 1.5(iii) at the same Annual General Meeting affect the constitution of the Management Committee, then these alterations will take effect from the date of the next Annual General Meeting unless an Extraordinary General Meeting is called under para. 1.6 to authorise an earlier implementation.

## **7.4 DISCIPLINE**

### **1. CODE OF CONDUCT AND SPIRIT OF CRICKET**

#### **1.1 Code of Conduct**

- 1.1.1 The League is committed to maintaining the highest standards of behaviour and conduct. This Code of Conduct incorporates the Spirit of Cricket, as set out below.
- 1.1.2 The captains are responsible at all times for ensuring that play is conducted within the Spirit of Cricket as well as within the Laws.
- 1.1.3 Players and team officials must at all times accept the umpire's decision. Players must not show dissent at the umpire's decision or react in a provocative or disapproving manner towards another player or a spectator.
- 1.1.4 Players and team officials shall not intimidate, assault or attempt to intimidate or assault an umpire, another player or a spectator.
- 1.1.5 Players and team officials shall not use crude and/or abusive language (known as "sledging") nor make offensive gestures or hand signals nor deliberately distract an opponent.

- 1.1.7 Players and team officials shall not use or in any way be concerned in the use or distribution of illegal drugs.
- 1.1.8 Clubs must take adequate steps to ensure the good behaviour of their members and supporters towards players and umpires.

## 1.2 Spirit of Cricket

*Cricket is a game that owes much of its unique appeal to the fact that it should be played not only within its Laws, but also within the Spirit of the Game. Any action which is seen to abuse this spirit causes injury to the game itself. The major responsibility for ensuring the spirit of fair play rests with the captains.*

- 1.2.1 There are two Laws which place the responsibility for the team's conduct firmly on the captain.

### **Responsibility of Captains**

The captains are responsible at all times for ensuring that play is conducted within the Spirit of the Game as well as within the Laws.

### **Players' Conduct**

In the event of any player failing to comply with the instructions of an umpire, criticising his decision by word or action, showing dissent, or generally behaving in a manner which might bring the game into disrepute, the umpire concerned shall in the first place report the matter to the other umpire and to the player's captain, requesting the latter to take action.

## 1.2.2 Fair and Unfair Play

According to the Laws the umpires are the sole judges of fair and unfair play. The umpires may intervene at any time, and it is the responsibility of the captain to take action where required.

## 1.2.3 The umpires are authorised to intervene in cases of:

- Time wasting
- Damaging the pitch
- Dangerous and unfair bowling
- Tampering with the ball
- Any other action that they consider to be unfair

## 1.2.4 The Spirit of the Game involves RESPECT for:

- Your opponents
- Your own captain and team
- The role of the umpires
- The game's traditional values

## 1.2.5 It is against the Spirit of the Game:

- To dispute an umpire's decision by word, action or gesture
- To direct abusive language towards an opponent or umpire
- To indulge in cheating or any sharp practice, for instance
  - a) appeal knowing the batsman is not out
  - b) advance towards an umpire in an aggressive manner when appealing
  - c) seek to distract an opponent either verbally or by harassment with persistent clapping or unnecessary noise under the guise of enthusiasm and motivation of one's own side.

## 1.2.6 Violence

There is no place for any act of violence on the field of play.

## 1.2.7 Players

Captains and umpires together set the tone for the conduct of a cricket match. Every player is expected to make an important contribution to this.

- 1.3 Failure to comply with the provisions of this Paragraph 1 may lead to disciplinary action, irrespective of an alleged breach being related to a match not under the jurisdiction of the League.

## 2. Procedure

2.1 Any alleged breach of Paragraph 1, may be dealt with by the umpires in one of the following ways:

- (a) The breach is deemed of a minor nature. Verbal advice/caution should be given to the player and/or the Captain in the appropriate way. (No written report is required).
- (b) Where the breach is more serious, a written report containing the facts and documenting the incident, should be produced (only on the League Disciplinary Report Form) and be sent to the Secretary of the League within a time limit of 7 days from the date of the alleged incident and copied to the Secretary of the BDU. Both the player and the Captain should be informed of this process.

2.2 Any complaint so initiated or report received by the League Secretary, must be referred to the Chairman of the Disciplinary Sub-Committee, who will consider the complaint and the evidence as soon as practicable and make a decision on one of the following three options:

- No further action will be taken.
- From the evidence contained within the report, the matter is suitable to be dealt with via the league's Accumulated Offence process. Therefore, notification to a player and the club, of three Accumulated Offences within the same current season, will result in a ban from all forms of cricket for three weeks. (A week is Saturday to Friday inclusive). Accumulated Offences gained or reported, during the last two league games in any one season which cannot count as one of the three in the same current season, will be carried into the following season as active sanctions or breaches.

The Accumulated Offence process will be given due consideration in the following circumstances:

1. Pointing, gesturing or any disparaging remarks at a batsman in an inappropriate manner by a bowler or other member of the fielding team, upon the batsman's dismissal
2. Inappropriate sledging or disparaging remarks towards a player which is personal, offensive or disrespectful.
3. Displaying inappropriate dissent towards an umpire by words, actions or conduct on or off the field of play.

**Accumulated Offences will not be considered, where the victim of the incident is a person who, due to age, is a player who is competing under 'YOUNG PLAYER REGULATIONS' and the relevant safeguarding regulations.**

- From the evidence contained within the report, the matter is more serious and warrants a full Disciplinary Hearing of the League Disciplinary Sub-Committee, which shall be convened and arranged by the League Secretary on behalf of the Chairman.

The decision of the Chairman of the League Disciplinary Sub-Committee to proceed as to which of the above three options will be implemented, shall be final and binding.

### **3. Disciplinary Hearing**

Violence, fighting, or aggressive actions, on or off the field of play, with other players or spectators  
Violence or aggressive intimidation towards an Umpire  
Verbal abuse, foul language or actions likely to be so obvious that they are not restricted to those participating in the game  
Any form of Racist or Sexist comment

The above, detailed in categories 1 to 4 are not exhaustive.

In addition, where a Club, individual or their representative and witnesses behave inappropriately or fail to respect the formality at any level of

hearing, the Disciplinary and Appeals Committees reserve the right to impose further corrective actions or penalties as they see fit.

4.5 Decisions of the Disciplinary Committee (a finding that a complaint is proved or not proved or a decision on penalty) shall be by majority vote; where necessary the Panel Chairman shall have a casting vote.

4.6 Any club, where players have been found guilty of disciplinary offences on two or more occasions in the same season, will be fined a sum not exceeding £50 by the LMC.

In addition, if on those two or more occasions, the offences have been committed by members of the same team of that club, then the team will incur a deduction of 20 points at the start of the following season

## **5. Appeals Procedure**

5.1 A player or club shall have the right of appeal to the Appeals Committee. Notice of Appeal stating whether the appeal is against the finding, or is against the penalties imposed, and setting out the grounds must be given in writing to the Secretary of the League within seven days of the decision of the Disciplinary Committee, together with a deposit of £50.00.

5.2 If Notice of Appeal is given the penalty shall not take effect pending the hearing of the Appeal.

5.3 The appeal shall be by way of re-hearing before a different Committee. The composition of the Committee shall be at the discretion of the Chairman and shall consist of not less than three persons. The player or Club shall have the same rights of attendance and representation, and to call witnesses as they had before the Disciplinary Committee.

5.4 The Appeals Committee may confirm, vary or reverse the decision of the Disciplinary Committee and it shall have the power to increase the penalty. Decisions of the Appeal Panel shall be by majority vote, where necessary, the Chairman having a casting vote.

5.5 The Appeals Committee shall have the power, where they consider an appeal to be without merit, to order the deposit to be forfeited to the League.

5.6 The decision of the Appeals Committee or, if no appeal, of the Disciplinary Committee, shall be final and binding.

## **7.5 Fines**

Any decision by the Management Committee ordering any club to pay umpires' fees or expenses, or any other monies must be carried out by the club concerned within 21 days from the date the club received notification from the League Secretary, failing which a fine of £5.00 will be charged.

## **7.6 Unforeseen Matters**

Any matters which may arise which are not provided for under these rules (except those relating to the laws of the game) shall be dealt with by the Management Committee whose decision shall be final.

## SPECIAL INSTRUCTIONS TO CLUBS

### **The Pitch**

The pitch must be properly prepared before the toss for innings and shall not be changed during the match unless it becomes unfit for play, and then only with the consent of both captains. No match may be played on an artificial pitch.

The wickets should be pitched so that the centre of each stump is in line with the back edge of the bowling crease.

Dots should be placed on either side of the pitch, in line with the return creases and 5ft. in front of the popping creases, to indicate the start of the danger area of the bowler's follow-through.

Prior to the toss of the coin the captain of the home team should indicate to his opposite number the roller(s) available for use between innings.

Between innings the ends of the pitch must be swept and the creases re-marked as required.

### **The Square**

Adequate repair of bowlers' foot holes on used pitches should be carried out during the preparation of the ground.

There must be no practice on the pitch, or the area immediately adjacent to the pitch, at any time on the day of the match.

Practice on the square, other than the pitch or the area immediately adjacent to the pitch, must not continue later than 15 minutes before the scheduled time for play to start, or any rescheduled time for play to start.

### **The Boundary**

All grounds must have a boundary line clearly marked out. Attention is drawn to the possible risk of injury to a fielder by the use of metal or wooden stakes to define a boundary.

No part of any sightscreen should be within the field of play. A rope should be placed on the ground around a sightscreen where an obstruction prevents the sightscreen being positioned outside the normal boundary line.

Where the frequent movement of a sightscreen is required the batting side should provide the necessary persons to achieve this with the minimum of delay.

### **Hospitality**

Changing facilities, preferably separate from the players' dressing rooms, should be available for the umpires and should be secure, clean and tidy. Clean white coats should be provided.

Each club must have adequate sanitary accommodation on the ground and a complete first-aid kit available in the pavilion.

The home club should provide twelve teas for the visitors who should pay for eleven, the twelfth being a complimentary tea for the scorer, and a complimentary tea for each umpire. The Management Committee requests that the charge levied on the visiting team should not exceed £33.00.

### **Personnel**

If, at the toss of the coin, a player or players have not arrived at the ground the captain should inform his opposite number and the umpires giving the name of any missing player, who may not thereafter be changed without the consent of the opposing captain.

An incoming batsman should pass an outgoing batsman on the field of play.

In the case of illness or injury during the game a substitute, or a runner, is allowed of right; and at the discretion of the umpires for other wholly acceptable reasons. It is a sporting gesture for the batting side to offer a substitute to the fielding side when the latter has nobody available.

Each club is strongly recommended to ensure that it has public liability, including employers' liability, insurance cover to indemnify the officers, committee or other bona fide members against legal liability for accidental bodily injury or damage to property of third parties.

#### **Return of Documents**

The following documents, and others which may from time to time be distributed, should be submitted in accordance with League Rules 1.9, 2.7 and 6.5

- Match Result Forms
- Averages Form # [30th September]
- Handbook Directory Information Form # [7th January]

# These documents will distributed by e-mail and the Hon. Secretary should be informed if they have not been received in good time. Dates in brackets are when forms are due to be returned.

#### **Overseas Players**

Any club wishing to register an overseas player should ensure that it is aware of, and abides by, the Managed Migration Policy adopted by the ECB in conjunction with the UK Border Agency. The accountability for clubs who wish to become involved in this process should be thoroughly understood and complied with.

Clubs should not employ anyone who does not have the legal right to be in the country, or have the legal right to be employed by them and, in case of action being taken, it is the Chairman and Club Committee who will be held accountable.

The Bassetlaw & District Cricket League therefore asks, and expects, all clubs to comply with all requirements of the Policy.

### **YOUNG PLAYER REGULATIONS**

Age groups are based on the age of the player at midnight on 31st August in the year preceding the current season and applies to girls and boys. Therefore any reference to he/his should be interpreted to include she/her.

**N.B. Anyone born after 31st August 1999 is NOT eligible to play in this League in 2012.**

The umpires and the opposing captain must be notified of the age group of all players participating in an adult match who are in the Under 19 age group or younger even if the player is not a fast bowler. This requirement also covers any young player taking the field as a substitute fielder. The Team Sheet cards are freely available to facilitate this.

Any player in the Under 13 age group must have explicit written consent from a parent or guardian, before participating in adult matches, and written confirmation from a Level 2 coach or above that it is appropriate to their development. Clubs must ensure that their player registration procedures ensure that consent is obtained.

The guidance related to changing and showering (see 'Safe Hands'- Welfare of Young People in Cricket Policy) must be adhered to.

### Fast Bowling Match Directives for Season 2012

Date of Birth		School Year 2011-12	Age:	Max. overs per spell	Max. overs per day
From	To				
1 Sept 1998	31 Aug 1999	8	Up to 13	5	10
1 Sept 1996	31 Aug 1998	9 or 10	U14, U15	6	12
1 Sept 1992	31 Aug 1996	11, 12, 13 or FE	U16, U17, U18, U19	7	18

*For the purpose of these Directives a fast bowler is defined as a bowler to whom a wicket keeper in the same age group would in normal circumstances stand back to take the ball.*

Having completed a spell the bowler cannot bowl again, from either end, until the equivalent number of overs to the length of his\* spell have been bowled from the same end. A bowler can change ends without ending his current spell provided that he bowls the next over that he legally can from the other end. If this does not happen his spell is deemed to be concluded. If play is interrupted, for any reason, for less than 40 minutes any spell in progress at the time of the interruption can be continued after the interruption up to the maximum number of overs per spell for the appropriate age group. If the spell is not continued after the interruption the bowler cannot bowl again, from either end, until the equivalent number of overs to the length of his spell before the interruption have been bowled from the same end. If the interruption is of 40 minutes or more, whether scheduled or not, the bowler can commence a new spell immediately.

Once a bowler covered by these Directives has bowled in a match he cannot exceed the maximum number of overs per day for his age group even if he subsequently bowls spin. He can exceed the maximum overs per spell if bowling spin, but cannot then revert to bowling fast until an equivalent number of overs to the length of his spell have been bowled from the same end. If he bowls spin without exceeding the maximum number of overs in a spell the maximum will apply as soon as he reverts to bowling fast.

Captains and Umpires are asked to ensure that these Directives are followed at all times.

### Wearing of Helmets

All young players who have not reached their 18th birthday must wear a helmet with a faceguard or grill when batting. Wicketkeepers should wear a helmet with a faceguard, or a wicketkeeper face protector, when standing up to the stumps. Parental consent not to wear a helmet should not be accepted in adult matches. A young player acting as a runner must also wear a helmet even if the player he is running for is not doing so.

## Fielding Regulations

These must be adhered to, and enforced by the umpires and captains

- No young player in the Under 15 age group or younger shall be allowed to field closer than 8 yards (7.3 metres) from the middle stump, except behind the wicket on the off side, until the batsman has played at the ball.
- For players in the Under 13 age group the distance is 11 yards (10 metres).
- These minimum distances apply even if the player is wearing a helmet.
- Should a young player in these age groups come within the restricted distance the umpire must stop the game immediately and instruct the fielder to move -back.
- In addition any young player in the Under 16 to Under 18 age groups, who have not reached the age of 18, must wear a helmet and, for boys, an abdominal protector (box) when fielding within 6 yards (5.5 metres) of the bat, except behind the wicket on the off side. Players should wear appropriate protective -equipment whenever they are fielding in a position where they feel at risk.

## Child Protection

All clubs must recognise that they have a duty of care towards all young players who are representing the club. This duty of care also extends to Leagues that allow the participation of young players in adult teams and this League has adopted the ECB Safe hands Policy. The duty of care should be interpreted in two ways:

- not to place a young player in a position that involves an unreasonable risk to that young player, taking account of the circumstances of the match and the relative skills of the player.
- not to create a situation that places members of the opposing side in a position whereby they cannot play cricket as they would normally do against adult players.

Every club should have:

- a Child Protection Policy
- at least one qualified Child Welfare Officer

## HINTS TO SCORERS

The scorers must accept the umpire's signals and instructions and, though it is no part of their duty to dictate to the umpires, mutual consultation to clear up doubtful points is, at all times, permissible and welcome.

Give the bowler's name if the batsman is out bowled, caught, stumped, leg before wicket or hit wicket.

If a batsman is caught, no run is scored, even though the batsman might have crossed but, if a batsman is run out attempting a second, or subsequent run, the completed run(s) count.

The one run penalty for a no-ball or wide is in addition to any other runs scored. All runs scored off no-balls and wides, including the penalty run itself, are to be debited against the bowler. If, from a no-ball, the batsman plays the ball with his bat, runs which result will be credited to him, except for the one penalty run which will be a no-ball extra. If the batsman does not play the ball with his bat all runs will be no-ball extras.

### NO-BALL

- e.g. O = one run penalty  
⊖ = one run penalty plus two no-ball extras  
⊕ = one run penalty plus three runs scored off the bat

### WIDE

- e.g. + = one run penalty  
⊕ = one run penalty plus one wide extra

The total runs scored by all batsmen plus all runs scored as no-balls or wides [the bowling extras] must equal the total runs conceded by all the bowlers.

The total runs conceded by all the bowlers plus all runs scored by byes, leg byes and penalty runs to the batting side [the fielding extras] must equal the total innings score.

The summary section of the bowling analysis should show the number of no-balls and wides bowled as opposed to how many runs have been scored off the no-balls and wides.

During the progress of the game both scorers should frequently check the total to ensure that the score books agree; the home club scorer should complete the League Result Sheet as the game proceeds.

When recording details of the first innings of a match on the Result Sheet before the end of the game, record any penalty runs, the total extras and the innings total in pencil. These are provisional and will have to be amended if, during the second innings of the match, any 5 run penalties are awarded to the team which batted first.

## Match Result Sheets

Important points to note when filling in result sheets.

1. Make sure the Division is filled in at the top.
2. Fill in the names of the teams after “Innings of” at the top of each list, with the team batting first on the left and the team bowling first immediately below. **Do not put a team’s bowling analysis on the same side as their own innings.**
3. Fill in the names of ALL players who take part (**not just those who bat**).
4. Make sure the Extras, Overs, Wickets and Total are filled in for each side.
5. **Points gained.** Result is points for the match, i.e. 12, 10, 6, 2 or 0.  
Batting is for batting bonus points.  
Bowling is for bowling bonus points.  
Total is for the total points for the match.

**N.B.** The side **winning** the match will receive full bonus points (i.e. 4 and 4) if the opposition have been dismissed, or they declared. This is irrespective of whether the winning side batted first or second. Unless you **win** the match, a declaration by the opposition does **not** give you full bowling points.

6. Fill in the match summary at the bottom by over writing the names of the teams on top of the faint printing “Team Batting First” and “Team Batting Second”.
7. Fill in your “Home Record To Date.”
8. Do not write in the section “Umpires’ Summary” unless no Umpires were present.
9. Ensure that each captain has checked the information given and signed the sheet in the space provided.
10. Send the sheet by first class post as soon as possible after the match if there has been any play.
11. **Do not forget to telephone the result, whether or not there is any play, as soon as possible. 01773 541977**

**OR**

**Email the information to [cricket@the-entertainer.biz](mailto:cricket@the-entertainer.biz)**

## **TELEPHONING OR EMAILING OF RESULTS**

### **in accordance with Rule 2.7 (iii)**

- State
1. Division.
  2. Total Score and Wickets lost of Team batting first.
  3. Total Score and Wickets lost of Team batting second.
  4. Points awarded to each team.

## **UMPIRES**

Umpires will be appointed by the Hon. Umpires' Appointments Secretary, Mr. J. Leaning, 2 Northlands, Harthill, Sheffield S26 7XZ (01909 770061) to whom communications from umpires, or from clubs concerning umpires should be sent.

Appointments will be made in two rotas, and details of appointments in that period sent to all umpires individually, and to the clubs.

Communications from umpires regarding contravention of League Rules, including Disciplinary Reports, should be sent to the League Secretary.

Other communications from umpires, or from clubs concerning umpires, should be sent to the Umpires' Association Secretary, Mr. E. Devney, 39 Collier Avenue, Mansfield Woodhouse, Notts. NG19 8HS 01623 468617 e-mail: [bassetlawumpires@aol.com](mailto:bassetlawumpires@aol.com)

## **INSTRUCTIONS TO UMPIRES**

The current fielding regulations must be adhered to and enforced by the umpires and captain. The umpires are empowered by these fielding regulations to stop the game immediately if a young player comes within the restricted distance.

The umpires and the opposing captain must be notified of the age group of all players participating in an adult match who are in the Under 19 age group or younger even if the player is not a fast bowler. This requirement also covers any young player taking the field as a substitute fielder. The Team Sheet cards are available to facilitate this.

Umpires and players must not smoke on the field of play whilst a match is in progress.

The use of light meters is not permitted.

## BASSETLAW & DISTRICT CRICKET LEAGUE

### 100 Years Ago – 1912

In a season of low scores there were a number of exceptional bowling performances with no fewer than four bowlers taking nine wickets in an innings:

R. W. Martin (Retford)	9 for 17	v	Worksop
C. R. Wilson (Sheffield Collegiate)	9 for 26	v	Kiveton Park
J. S. Varley (Cammell Laird)	9 for 29	v	Hallam
B. Gregory (Worksop)	9 for 36	v	Gainsborough Britannia

All these feats were overshadowed by Shireoaks youngster A. G. Nixon, who had left Worksop due to a lack of First XI opportunities, and captured all ten wickets for 65 runs, the last three in four balls, against Sheffield Collegiate; this was the first ten wicket haul in Division One.

### 50 Years Ago – 1962

The Minutes of the Management Committee meeting held on 17th April record that “the making of the fixtures had been delayed and, in part, had to be re-done owing to the fact that Duckmanton had been compelled to withdraw from the League; their ground was unavailable owing to it being needed for a junction to the new M.1

1962 was the last time that the championship of the League was shared, when the top of Division One, Section A looked like this:

	Played	Won	Lost	Drawn	Tied	Points
Gainsborough Britannia	22	11	2	9	0	53
Steetley Works	22	11	2	9	0	53

The bottom of the Division created a further dilemma with the teams in tenth and eleventh positions also having identical records:

	Played	Won	Lost	Drawn	Tied	Points
Langwith Colliery	22	3	9	10	0	22
Killamarsh Juniors	22	3	9	10	0	22
Whitwell Welfare	22	3	12	7	0	19

A play-off match was arranged between Langwith and Killamarsh which the former won by about 30 runs. Neither situation is likely to occur in the future as such instances are now decided by calculating and comparing the ratio of runs per wicket, for and against, of each of the teams.

Full player registration was abandoned after 1962 in favour of only registering professionals. The system at that time was very inefficient, a quick comparison of two

clubs in one village shows that no fewer than seven players were registered with both clubs, and was also a monumental task with some clubs naming around one hundred players. It was re-introduced in 2004 with the aid of modern technology.

### **25 Years Ago – 1987**

Welbeck Colliery won the treble as Champions of Division One, Section A, Champions of Division Two, Section A and winners of the Tomlins Trophy; a feat achieved previously by Steetley in 1972 and Retford in both 1976 and 1977.

36 clubs entered a team in the Tomlins Trophy knock out competition requiring a preliminary round and four further rounds leading to the Final; oh for such support in 2012.

Bad weather caused the cancellation of nearly a quarter of the scheduled league matches and four matches in the Tomlins were decided on the toss of a coin, including the elimination of Worksop who had won the competition in each of the three previous seasons.

Following severe vandalism to the pavilion at Harthill Cricket Club the proceeds from the tombola at the Annual Dinner were donated to the club; clubs in the League, and individuals, also made donations.

The League XI reached the Final of the President's Trophy with victories over the Lincolnshire County League, Coventry & District League, Gunn & Moore Alliance, N. Staffs & S. Cheshire League, and the County Alliance before losing to the Durham County League at Crook, when weather conditions conspired against our team already weakened by the absence of skipper Mike Bore on County duty for Notts. Harry Cartwright scored two centuries and two fifties in the six matches and, with Paul Delaney, shared opening partnerships of 213 against the Gunn & Moore Alliance, both players scoring 106, and 152 against the County Alliance at Long Ashton near Bristol.

Chris Marples (Bolsover) was the only batsman to score more than 800 runs throughout the League, but no fewer than 22 bowlers took 50 or more wickets, Trevor Howis (Rushley) leading the way with 86, followed by Robert Needham (Anston II) with 82.

In 2011 there were 11 batsmen who scored more than 800 runs, but only four bowlers who took fifty or more wickets.

## LEAGUE CRICKET CONFERENCE

Established in 1962 the League Cricket Conference has grown into the largest representative body in League Cricket and today represents the interests of many Leagues throughout England and Wales.

Whilst having no mandatory powers Conference does provide a platform for discussion and, if necessary, arbitration for matters of mutual concern to all Leagues and has been called upon in the past to discuss a wide range of topics, including discipline, the movement of clubs, experimental laws, contracts, and matters of finance.

The President's Trophy, a Knockout Competition for Leagues wishing to participate, has been competed for since 1965, with a Plate Competition being introduced in 2004. The format of the knock out competitions was amended from 2006 – 2010 with the President's Trophy being for Premier Leagues and others who wished to participate; non-Premier Leagues competed in a separate competition for the Cedric Rhoades Cup.

The fall in the number of entries has resulted in the two competitions merging from 2010, with the President's Trophy being awarded to the winning League and the Rhoades Cup to the runners-up.

## HARRY TOMLINS KNOCK-OUT COMPETITION

### Rules

1. The name of the competition will be the HARRY TOMLINS TROPHY.
2. Each club may enter one team. Withdrawal after the draw has been made will be treated as non-fulfilment of fixture as per League Rule 2.5(vi).
3. Organisation
  - (i) The draw for the competition will be made by the Management Committee at its January meeting.
  - (ii) Seeding will be used based on final league table positions for the previous season.
4. Eligibility of Players
  - (i) All players must be registered with the club in accordance with League Rule 5.2
  - (ii) A player with a Premier League club shall not be eligible if he has played the majority of his Saturday cricket in that League during the current season.
  - (iii) No player who has played for a club in the competition is eligible to play for another club in the competition in the same season.
5. Arrangement of matches
  - (i) All matches shall be played on the appointed date, as arranged by the League Management Committee.
  - (ii) Should weather prevent the game being played on the appointed date for the round a replay must be attempted on or before the following Sunday.
  - (iii) In the event of a result still not having been reached, the winner of the match shall be decided upon the toss of a coin.
  - (iv) The home drawn club may surrender this advantage if it so wishes, subject to agreement by the opposing club.
  - (v) A postponement due to adverse playing conditions may be made by the home club only with the agreement of the away club.
  - (vi) The venue for the final will be chosen by the Management Committee.
6. Umpires
  - (i) Neutral umpires, appointed by the Hon. Umpires Appointments Secretary will officiate in all matches.
  - (ii) Their fees shall be in accordance with League Rule 6.3 and the cost will be shared by the clubs concerned, except in the Final, when it becomes the responsibility of the Management Committee.
  - (iii) The home club shall notify the Hon. Umpires Appointments Secretary of dates agreed to play matches in each round of the competition.
7. Match Regulations
  - (i) All matches will start at 2.00 p.m. unless mutually agreed.
  - (ii) Each team shall be allowed 40 six-ball overs or until the batting side is dismissed.
  - (iii) A time limit of 2 hours 30 minutes shall be allowed for each side to bowl 40 overs.
  - (iv) A variation in time of 3<sup>1</sup>/<sub>2</sub> minutes per over shall be made if less than 40 overs are scheduled to be bowled.
  - (v) Umpires shall make due time allowance for one drinks interval per innings, if taken, and for unavoidable stoppages caused by injury or other extenuating circumstances.

- (vi) The batting side shall be awarded six penalty runs for each over begun after the time allowed. For each of any such overs, the umpire at the bowlers end shall signal six runs to the scorers before the first ball is bowled. These shall be recorded as penalty runs. If the batting side passes its opponents total by either the award of Penalty runs and/or runs scored during the over, they shall be deemed to have won the match at that point’.
- (vii) Each bowler is allowed a maximum of 8 overs.
- (viii) The interval shall be of 10 minutes between innings plus 20 minutes for tea.
- (ix) Late start:- No match shall start after 5.00 p.m. unless played under Rule 5(iii) and the following table indicates the number of overs to be played when the start is delayed up to that time.

Minutes lost before start	Overs lost	Overs left	Overs per team	Maximum overs per bowler
30	8	72	36	7
60	16	64	32	6
90	24	56	28	5
120	32	48	24	5
150 +	40	40	20	4

- (x) Where ‘overs per team’ exceeds five times ‘overs per bowler’ the required number of bowlers may each bowl one extra over.
- (xi) If a match remains unfinished the winner will be the side that has scored the fastest in runs per over throughout the innings (provided that at least 20 overs have been bowled at the side batting second), In the event of the side batting first being all out, or declaring their innings closed, before their full quota of overs, the calculation of their average run rate will be on the full quota of overs to which they would have been entitled. If the scoring rate is the same the side losing the lesser number of wickets in the first twenty overs in each innings will be the winner. In the event of no decision being reached the match will be replayed.
- (xii) In the event of a tie the result will be decided in favour of the club losing the least number of wickets. If both sides have lost the same number of wickets the result will be decided on the higher rate of scoring in the first 20 overs of each innings. In the event of both sides being dismissed in 40 overs or less the overall scoring rate will be the deciding factor.
- (xiii) Each club will provide its own ball(s) in accordance with the League Rule 3.8.
- (xiiii) At the instant of delivery a minimum of four fieldsmen (plus the bowler and wicket-keeper) must be within an area bounded by two semi-circles centred on each middle stump (each with a radius of 30 yards) and joined by a parallel line on each side of the pitch. In the event of an infringement, the square-leg umpire shall call “No-Ball.”
- (xv) Wide Balls – Any ball, not being a No Ball, that passes the striker’s leg stump, irrespective of where that ball pitched, will be called and signalled a wide. It will not be a wide if the ball makes contact with the striker, his person or equipment, or the bat in hand before it passes the line of the stumps, or the ball passes between the striker and the leg stump.
8. The home club shall notify the result of the match by telephone and submit a result sheet in accordance with League Rule 2.7.
9. The Gordon E. Mycroft Memorial Cup will be awarded to the Man of the Match in the Final.
10. Any collection, raffle etc, will be the sole concern of the club staging the match.

- (vi) In the event of two or more clubs tying at the head of a Group the matter will be resolved by taking account of the number of matches which the teams have won and, should this be equal, then the ratio of the average number of runs scored for per wicket to the average number of runs scored against per wicket in the Group matches shall be the determining factor.

### **3. Eligibility of Players**

- (i) All players must be registered with the club in accordance with League Rule 5.2
- (ii) A player with a Premier League club shall not be eligible if he has played the majority of his Saturday cricket in that League during the current season.
- (iii) No player who has played for a club in the competition is eligible to play for another club in the competition in the same season.

### **4. Arrangement of Matches**

- (i) Fixtures will be played on Tuesday evenings commencing between 6.15pm and 6.30pm, as arranged by the Management Committee.
- (ii) Any matches not completed on the arranged date will be declared 'NO RESULT'.
- (iii) A cancellation due to adverse playing condition may be made by the home club, only in agreement with the away club.
- (iv) The semi-finals and the final will be played on the same date at a venue(s) chosen by the Management Committee

## 5. Umpires

- (i) Neutral umpires, appointed by the Hon. Umpires Appointments Secretary will officiate in all matches.
- (ii) Umpires expenses shall be £17 for each umpire, the cost to be shared by both clubs concerned, except in the Semi-Finals and Final when it shall be the responsibility of the Management Committee.

## 6. Match Regulations

- (i) A match may be played on an artificial pitch.
- (ii) New or used ball(s), of a specification in accordance with League Rule 3.8, and of a standard acceptable to both umpires, and to the opposing captain shall be provided by each team.
- (iii) Each team shall be allowed 20 six-ball overs or until the batting side is dismissed. In a match affected by weather, light, or unforeseen circumstances a minimum of 10 overs must be available to each team.
- (iv) The first five overs of each innings shall constitute a 'Power Play' whereby only two fielders are permitted to be outside the 30 yard inner markers / circle.
- (v) There shall be an interval of 15 minutes between innings.
- (vi) A time limit of 1 hour 15 minutes shall be allowed for each side to bowl 20 overs.
- (vii) A variation in time of 3 \_ minutes per over shall be made if less than 20 overs are scheduled to be bowled.
- (viii) The batting side shall be awarded six penalty runs for each over begun after the time allowed. For each of any such overs the umpire at the bowlers end shall signal six runs to the scorers before the first ball is bowled. These shall be recorded as penalty runs. If the batting side passes its opponents total by either the award of Penalty runs and/or runs scored during the over, they shall be deemed to have won the match at that point'.
- (ix) Each bowler is allowed a maximum of 4 overs
- (x) At the instance of delivery a minimum of four fieldsmen (plus the bowler and wicket-keeper) must be within an area bounded by two semi-circles centred on each middle stump (each with a radius of 30 yards) and joined by a parallel line on each side of the pitch. In the event of an infringement the square leg umpire shall call No-ball.
- (xi) Wide Balls – Any ball, not being a No Ball, that passes the striker's leg stump, irrespective of where that ball pitched, will be called and signalled a wide. It will not be a wide if the ball makes contact with the striker, his person or equipment, or the bat in hand before it passes the line of the stumps, or the ball passes between the striker and the leg stump.

Minutes lost before start	Overs lost	Overs left	Overs per team	Max. overs per bowler
15	4	36	18	3
30	8	32	16	3
45	12	28	14	3
60	16	24	12	2
75 or more	20	20	10	2

- (xii) Matches delayed at the start:  
Where 'overs per team' exceeds five times 'overs per bowler' the required number of bowlers may each bowl one extra over.
- (xiii) Matches interrupted after the start:
- If a match is interrupted during the first innings, and unless the batting side is dismissed, the innings shall end 1 hour 15 minutes after the start of play, or on completion of the over in progress at that time, and a maximum of the same number of overs shall be bowled in the second innings.
  - If a match is interrupted during the second innings, and unless a result is achieved earlier, the innings shall end 1 hour 15 minutes after the start of the innings, or on completion of the over in progress at that time.
  - When such interruption prevents a minimum 10 overs being bowled in an innings additional time may be taken, with the agreement of both captains, to enable 10 overs to be completed. There shall be no reduction in the maximum overs per bowler in a match interrupted after the start.
- (xiv) If a match remains unfinished the winner will be the side that has scored the fastest in runs per over throughout the innings (provided that at least 10 overs have been bowled in each innings). In the event of the side batting first being all out, or declaring their innings closed before their full quota of overs, the calculation of their average run rate will be on the full quota of overs to which they would have been entitled. If the scoring rate is the same the side losing the lesser number of wickets in the first ten overs in each innings will be the winner. In the event of no decision being reached the match will be a No Result.

## 7. Match Administration

- The home club shall notify the result of the match by telephone and submit a result sheet in accordance with League Rule 2.7.
- Any collection, raffle etc, will be the sole concern of the club staging the match.

## The ECB Association of Cricket Officials

The ECB ACO came into existence on 1 January 2008 as a result of the amalgamation of the Association of Cricket Umpires and Scorers (ACU&S) and the ECB Officials Association (ECBOA). ACO Nottinghamshire is the local association. Contact Peter McKenzie (Chair) 01909 733094 or John Mangham (Secretary) 0115 939 3992 for further details.

The ECB ACO has established new qualifications based on the Levels of National Vocational Qualifications. Umpires' courses leading to Level 1, Level 1a and Level 2c will be available in the winter of 2012-13. The Level 2 course is available, by recommendation from their County Performance Officer, to umpires selected for Premier League cricket and beyond. Courses for Scorers, based on a similar structure, will also be available from Winter 2012-13. All development of officials will be integrated into County Board planning and funding arrangements.

The ECB ACO has the following categories of membership and is open to all Umpires and Scorers at every level:

- Full Members – holding a CRB clearance
- Associate Members – not active
- Junior Members – Under 21 – holding a CRB clearance
- Overseas Members – outside ECC
- Honorary Members – elected by ACO Board

Education and training is proposed, ultimately following this structure:

- 5-Level structure for Umpires and Scorers
- Entry level and introductory courses as appropriate
- Levels 1 to 3 based on National Standards set by Sports Officials UK
- Tutors trained to equivalent of Certificate in Tutoring Sport standard

On behalf of the Nottinghamshire Cricket Board, ACO Nottinghamshire runs an appointments panel for ECB ACO members to support a range of non-league cricket in the county including county boys' and girls' age-groups, universities, schools and special events. Membership is open to any ACO member. Contact Peter McKenzie if you wish to join the panel.

National administration is through the ECBACO Office based at Edgbaston.
