### d) 2022 League Vice President.

Several appropriate candidates were discussed, following a debate the LMC were unanimous that the post of league vice president for 2022 should be offered to Trevor Haywood. NF to contact Trevor to offer the role and confirm acceptance at the next meeting.

8.2 ECB Equity, Diversity & Inclusivity Policy. AW reported that further updates and guidance relating to this matter are expected during early 2022.

8.3 Club (Supplementary) Umpires. A poster from the BDUK appealing for league clubs to provide Club (Supplementary) Umpires for the 2022 season has been distributed to league clubs via league social media channels. IR reported that there has been no response so far to this request.

8.4 Umpires Fees. After review, it was agreed that umpires' fees would remain unchanged for the 2022 season and be reviewed by an LMC sub-committee at the end of the 2022 season.

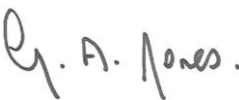

## 9. ANY OTHER BUSINESS

- 9.1 League Handbook. It was agreed that this would be a BDCL handbook only and would not be combined with any other local recreational cricket league handbook. It is anticipated that around 400 copies will be required. SR suggested that the league provide one handbook free to clubs, and a charge will be levied on clubs for further copies requested.

This matter will be discussed again at the January 2022 meeting.

- 9.2 New League Clubs. GJ undertook to contact both Sneinton CC and Gedling & Sherwood CC to confirm their commitment to providing umpires to officiate at league matches, in accordance with league rules.
- 9.3 Composition of LMC. NF asked that a review of the composition and responsibilities of the LMC take place. It was agreed that this should be undertaken by a subcommittee or working party, following the 2021 AGM.
- 9.4 League nominated charity. TM reported that he had encountered some issues in paying the £500 to Parkinsons.org. TM has made further enquiries regarding this and is awaiting a response prior to progressing this matter.
- 9.5 League nominated charity 2022. Suggestions will be sought amongst the LMC and league clubs for the 2022 adopted charity. The general opinion was that the chosen charity should be a suitable local charity. NF to write to league clubs for suggestions, with a final decision to be made at the January 2022 LMC meeting.
- 9.6 NPL2. NF reported that at the recent AGM, NPL clubs had voted in favour of increasing the number of clubs in Division 2 to twelve; with this decision to be affected as soon as possible. If this were immediately invoked, the consequences would be no relegation at the conclusion of the 2022 season, and the loss of another BDCL club for the 2023 season. After due consideration, the LMC agreed that a period of resettlement for the league was required following the recent reallocation of league clubs with the inception of NPL2; and that no further changes should be implemented until 2024 at the earliest. NF to convey the LMC view at the NPL January 2022 management committee meeting.
- 9.7 Contribution to RCAG. After reviewing this matter and confirmation of the contributions to be made by the other local recreational cricket leagues involved, the LMC agreed that they would commit £500 to the RCAG central club support fund for the next three years.
